

The CBF Church of England Property Fund

Fund fact sheet – 30 September 2025

Investment objective

The fund aims to provide a high level of income and capital growth over the long term (defined as 5 years).

Investment policy

The fund is an actively managed, diversified portfolio of UK commercial property. It will principally invest in UK commercial properties, but may invest in other assets, which may be either liquid or illiquid in nature. The fund will gain its exposure by investing in the COIF Charities Property Fund.

The fund is managed in line with a faith-consistent investment policy, developed by the manager, to meet shareholders' desire to invest in a way that reflects Christian and Anglican teachings and is grounded in the advice produced by the Church of England's Ethical Investment Advisory Group.

The fund is managed in line with CCLA's approach to property investment available at www.ccla.co.uk/about-us/policies-and-reports/policies/our-approach-property-investment. This approach outlines our property investment process, from pre-purchase due diligence to the ongoing management and sale of properties.

Who can invest?

Any church trust with objects connected with the work of the Church of England may normally invest in the fund. This can include parochial church councils, benefices and deaneries, bell ringers and Mothers' Union. The fund is available to Church of England schools and educational establishments as well as any other Church of England related organisation. If you are unsure whether you can invest in the fund, please contact Client Services.

Sustainability approach

We believe that the primary role of sustainable investment is to drive positive change.

The fund is managed in line with a faith-consistent investment policy to meet clients' desire to invest in a way that reflects Christian and Anglican teachings and is grounded in the advice produced by the Church of England's Ethical Investment Advisory Group (EIAG). The faith-consistent investment policy applies a number of restrictions on property tenants in accordance with our values-based screening policy, found at www.ccla.co.uk/about-us/policies-and-reports/policies/values-based-screening-policy.
