Fund fact sheet – 31 March 2026

Investment objective

The fund aims to provide a high level of capital security and a competitive yield.

Investment policy

The fund is a diversified portfolio of sterling denominated money-market deposits and other instruments. The fund is actively managed, which means the investment manager uses their discretion to pick investments, in pursuit of the investment objective.

Who can invest?

Any charitable organisation in England and Wales, and any appropriate body in Scotland and Northern Ireland, that meets the definition of a charity as set out in Schedule 6 of the Finance Act 2010 and is recognised by HMRC as a charity for tax purposes may normally invest in the fund. This includes registered charities, exempt charities as well as charities not registered, such as some schools and academies. If you are unsure whether you can invest in the fund, please contact Client Services.

Sustainability approach

We believe that the primary role of sustainable investment is to drive positive change and this is best achieved by pushing companies to do more to address the major challenges facing us today. The fund is managed in line with our sustainability approach for cash funds which can be found at: www.ccla.co.uk/about-us/policies-and-reports/policies/sustainability-approach-cash-funds.

The FCA has introduced sustainable investment labels to help investors find products that have a specific sustainability goal. This product does not have a UK sustainable investment label because it does not have a sustainability goal.
