## Sustainability approach (including faith-consistent investment policy)

The fund invests in the COIF Charities Property Fund, which is compliant with the faith-consistent investment policy of the fund, developed by CCLA and implemented by other CBF Church of England Funds, to meet shareholders' desire to invest in a way that reflects Christian and Anglican teachings and is grounded in the advice produced by the Church of England's Ethical Investment Advisory Group. The restrictions that apply to the fund are set out in the scheme information.

They apply a number of values-based restrictions on property tenants in line with the faith-consistent investment policy.

These restrictions are applied in accordance with [Our values-based screening policy](#) (which also sets out how we consider the eligibility of third-party managed funds) and are implemented based upon data-points selected by CCLA.
