

# COIF Charities Fixed Interest Fund

## Fund Fact Sheet – 30 September 2020

### Investment objective

The Fund aims to provide investors with an income yield and a total return in excess of the benchmark.

### Investment policy

The fund is an actively managed, diversified portfolio invested predominantly in sterling denominated fixed interest securities but may also include other asset classes.

The Fund follows a client-driven ethical investment policy.

### Target investors

The Fund is aimed at charities looking for a good level of income distributions.

### Who can invest?

Any charitable organisation defined within the Charities Act 2011 can invest in the Fund, providing its powers permit.

### Responsible investment policy

We confirm that the Fund is managed in accordance with the policy set by the Board.

### Income

Gross dividend yield	3.15%*
Gross redemption yield	0.91%**

### Past distributions

### Fund update

The portfolio has an above benchmark allocation to good quality corporate bonds because of the higher income they provide. The overall structure however is defensive, because of the high valuations the fixed income sector trades on. This is reflected in the duration and average term of the holdings are shorter and so less volatile than those of the benchmark.

### Cumulative total return from 30/09/10\*\*\*

### Asset allocation at 30 September 2020

\* Based upon the net asset value and an estimated annual dividend of 4.44p.

\*\* The gross redemption yield indicates what the total return would be if the Fund's investments were held to maturity, in other words, the aggregate of gross interest received and the capital gain or loss at redemption, annualised.

\*\*\* Source: CCLA – Performance shown after management fees and other expenses with gross income reinvested. Past performance is not a reliable indicator of future results.
