

COIF Charities Fixed Interest Fund

Fund Fact Sheet – 30 June 2020

Investment objective

The Fund aims to provide investors with an income yield and a total return in excess of the benchmark.

Investment policy

The fund is an actively managed, diversified portfolio invested predominantly in sterling denominated fixed interest securities but may also include other asset classes.

The Fund follows a client-driven ethical investment policy.

Target investors

The Fund is aimed at charities looking for a good level of income distributions.

Who can invest?

Any charitable organisation defined within the Charities Act 2011 can invest in the Fund, providing its powers permit.

Responsible investment policy

We confirm that the Fund is managed in accordance with the policy set by the Board.

Income

Gross dividend yield 3.13%*
Gross redemption yield 0.94%**

Past distributions

Fund update

The portfolio has a defensive structure to protect investors from sector price weakness. This is reflected in a portfolio structure where the duration and average life of the holdings are lower than those for the benchmark. There is a bias towards corporate bonds to benefit from the income premium this part of the fixed income sector provides.

Cumulative total return from 30/06/10***

Asset allocation at 30 June 2020

* Based upon the net asset value and an estimated annual dividend of 4.44p.

** The gross redemption yield indicates what the total return would be if the Fund's investments were held to maturity, in other words, the aggregate of gross interest received and the capital gain or loss at redemption, annualised.

*** Source: CCLA – Performance shown after management fees and other expenses with gross income reinvested. Past performance is not a reliable indicator of future results.
